Tahoe City Public Utility District Parks & Recreation

FALL-WINTER 2026-2027

ACTIVITY GUIDE

BUILDING A HEALTHY MOUNTAIN COMMUNITY THROUGH OUR PASSION FOR PUBLIC SERVICE

OUR MISSION

The mission of the Tahoe City Public Utility District is to serve the people in our community, as well as the environment. It is our responsibility to provide safe and reliable water service, sewer service for the protection of public health, and parks and recreation services to enhance quality of life.

THINGS TO KNOW

Online Registration Instructions

1. Visit tcpud.org/recreation-programs. Click **Sign Up Now!**
2. On desktop computers, click **Sign In** in the upper left corner to sign in or create an account.
On mobile devices, select **Sign In** in the upper right corner to sign in or create an account.
 - a. For questions on creating an account, please visit tcpud.org/registration for more information.
3. Register for activities:
 - a. Click on any of the category tabs or filter by keywords or activity names.
You can also click on **Sign Up** in any of our Recreation Programs on our website.
 - b. Click on the program to view details and
 - i. Select Account Member (or members if enrolling multiple members for a program)
 - ii. Click **Add to Cart**
 - iii. Click **Close** to continue to register for other programs or **Checkout** to proceed with registration/payment
4. Once you hit **Checkout**:
 - a. Answer any prompts, if applicable, and click **Submit Responses**.
 - b. Acknowledge and sign TCPUD waivers and click **Confirm Waiver Agreement**.
 - c. Payment: You are able to add, edit, and remove programs and participants within your shopping cart. Click on **Continue to Payment** to enter billing information.
 - d. You can also click on **Catalog** or **Browse Catalog** to register for more programs before payment.
 - e. Select **Continue to Payment** to enter and process payment. Please be aware of our refund and cancellation policies.

Resident and Non Resident Rates

Resident Rate applies to customers who live and/or own property in the Tahoe City Public Utility District water & sewer service area. Residents within the service area receive reduced rates for many of our recreation fees, as a portion of their property taxes are used to support TCPUD parks and recreation services. To view the TCPUD Service Area map, please visit tcpud.org/maps

If you feel you may qualify as Resident, please email us (recreation@tcpud.org) with proof of your physical address (i.e. valid driver's license, TCPUD Utility Bill) showing a physical address within the district and the registrant's name.

Wait Lists:

If a program is full & a waitlist is available, you will have the option to enroll your child(ren) on the waiting list.

If space becomes available, you will receive an email stating availability in the program, program details and a link to sign up for the available spot. Please note, the link is only available for 24 hours.

Scholarships:

The Youth Scholarship Fund was developed by TCPUD Parks & Recreation Department to assist local youth to participate in sports and activities. Funds are available to youth ages 17 years and younger and offers a maximum cash subsidy of 50% per program registration, with a \$150 max per child per year.

To be considered, a Scholarship Application must be submitted. Applications are available by emailing recreation@tcpud.org or calling (530) 583-3440. All information is confidential.

Contributions are accepted to help children that would otherwise be unable to participate in a class or program. Please contact the TCPUD Recreation Department before making a scholarship fund donation at recreation@tcpud.org.

Inclement Weather:

In the interest of safety for all, we will cancel or postpone a program or close a facility due to inclement winter weather conditions such as snow and ice. In the event we cancel any programs due to inclement weather, we will communicate closures as soon as possible.

About Our Guide:

To conserve paper and costs, the TCPUD Parks & Recreation Department has a limited amount of Program Guides printed and available for public distribution. We are also digital! To view our guide and its updates online, visit us at tcpud.org/recreation/activity-guide.

1... 2... 3... Say Cheese! For program promotion, photos may be taken of participants. If you do not wish to have your photo taken, please notify the photographer and/or staff upon program enrollment. Photos may be used in our publications, website and social media.

Tahoe City Public Utility District is dedicated to building a healthy mountain community through our passion for public service.

Major Trail Improvements Complete

This fall marks the completion of a multi-year investment to substantially rebuild six miles of trail on the North and West Shore, including portions of the trail that were over 50 years old.

The effort culminated this year with completion of the Dianne Feinstein West Shore Tahoe Trail Reconstruction Project, which rebuilt approximately 4 miles of trail between Tahoe City and Blackwood Creek. Improvements included a completely reconstructed trail surface, drainage and accessibility upgrades, and significant safety improvements at the Highway 89 crossing north of Sunnyside.

Combined with the North Shore Trail reconstruction completed in 2024, these projects have renewed our aging trail infrastructure, creating a smoother, safer, and long-lasting trail system for residents and visitors alike.

Learn more at tcpud.org/trails

We are grateful for our funding support through the NTCA TOT-TBID Dollars at Work program and the Tahoe Fund.

Thank you!

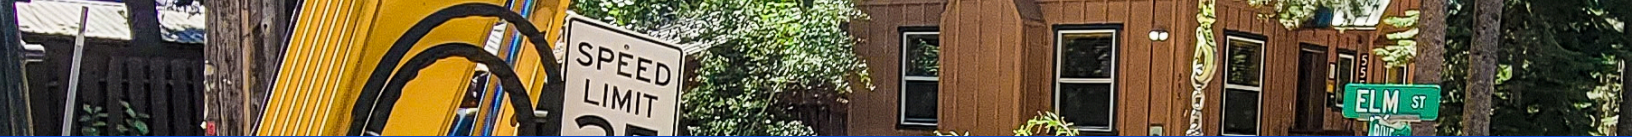

Project Highlight

At this highway crossing on the West Shore Trail we pulled back the slope that previously limited sightlines, removed trees that cast shadows on trail users waiting to cross, and relocated a power pole that obstructed views of the crossing.

We also raised the trail to more closely match the elevation of the highway. Together, these improvements give drivers a clearer view of trail users and give trail users a better view of approaching traffic from much farther away.

Investing in West Shore Water

TCPUD continues to make major investments toward creating a more reliable, interconnected water system on Tahoe's West Shore.

In recent years, TCPUD has begun replacing outdated infrastructure and connecting previously separate systems. Reconstruction of the aging water systems in Tahoma and Homewood, acquired from a private owner in 2018, is a major part of that effort. Work includes replacing and upsizing aging neighborhood water mains, improving fire flow and fire hydrant coverage, and establishing regional connections between systems.

TCPUD's recent acquisition and operation of the Tahoe Swiss Village Utility water systems, brings these systems under TCPUD management and creates new opportunities for improved reliability and future connections between West Shore water systems.

Another major milestone came in 2026 with the West Lake Tahoe Regional Water Treatment Plant transitioning to full-time operation. The new plant allows TCPUD to deliver up to 1 million gallons per day of high-quality Tahoe tap water from Lake Tahoe to West Shore water systems.

Together, these efforts are part of a long-term strategy to replace aging infrastructure, strengthen emergency and backup capabilities, improve fire protection, and build a more connected and reliable water system for the West Shore.

Cold Weather Is Coming, Protect Your Pipes!

Freezing temperatures are part of winter in Tahoe, and a little preparation now can help prevent frozen or broken water pipes later. Before temperatures drop, take a few minutes to prepare your home or property:

- ❄ Insulate exposed water pipes, especially those in crawl spaces, garages, and other unheated areas.
- ❄ Disconnect and drain outdoor hoses and irrigation systems.
- ❄ Know where your home's main water shutoff valve is located and make sure it is accessible.
- ❄ Shut off the water to your home and drain internal piping when you leave for an extended period. Open faucets to help drain as much water from the pipes as possible.

RSVP COMMUNITY MEETING OCTOBER 27

Share Your Input on the Future of the Tahoe City Community Center

Thank you to the nearly 1,200 community members who participated in the Tahoe City Community Center Planning and Feasibility Study survey!

The Study is evaluating three facility concepts: a new indoor gymnasium facility, a new indoor aquatics facility, or a combined gym and aquatic facility. No decisions have been made yet and we still want your input.

Your feedback will help the TCPUD Board better understand the community's priorities and questions as we explore the future of the Tahoe City Community Center property at 401 West Lake Boulevard.

Join us for a Community Meeting this Fall:

-  Tuesday, October 27, 2026
-  6:00–7:30 p.m.
-  North Tahoe High School

Join TCPUD to learn more about the planning process, hear what we've learned from the community, ask questions, and share additional feedback.

RSVP for the meeting and learn more about the project at tcpud.org/recreationfuture.

Updates

Wrapping Up Another Great Season!

Thank you to all our golfers, guests, and four-legged friends for making it another legendary season on our historic 1918 course! As we prepare to transition to winter operations, our final day of play for the season will be Sunday, November 1 (weather permitting). Be sure to book your final tee times to enjoy our scenic 9-hole layout, practice facilities, and great bites at Café Zenon before we close and transition to the Winter Sports Park. We appreciate your support and can't wait to welcome you back to the greens next spring!

TCPUD OPPORTUNITIES

District Opportunities

Joining us goes beyond just applying for a job. It's about becoming an integral part of our mission: serving our community and protecting the environment. We are committed to delivering safe and reliable water and sewer services to safeguard public health, as well as offering parks and recreation services to improve quality of life.

At TCPUD, our workplace culture is grounded in our Core Values: Service, Professionalism, Teamwork, Initiative, and Communication. We continually seek individuals who align with our vision and wish to contribute to our culture. To explore our current job openings, please visit: tcpud.org/jobs.

Volunteer Coaches

We appreciate the numerous volunteers who support TCPUD across various programs, events, and ongoing roles throughout the year. If you love working with children, serving the community, and making a positive impact, we invite you to join our volunteer team!

tcpud.org/volunteer-coaches

Instructors

If you are a motivated and energetic professional looking to teach classes and enhance the mission and goals of the Parks & Recreation Department, please consider becoming an instructor! Tahoe City Public Utility District Parks and Recreation works with contractors to offer a variety of classes and programs for youth and adults of all ages and interests. For more information, proposal to teach form and more, visit tcpud.org/instructors

Thank you to our 2026 Summer Sponsors!

Citizens
National Bank
Of Texas
MEMBER FDIC
Your Bank Since 1868

NORTH TAHOE
NTCA
COMMUNITY ALLIANCE

A BIG thank you to Citizens National Bank of Texas and the North Tahoe Community Alliance for their generous sponsorship of our summer programming and youth camp shirts!

Thanks to their support, our campers were able to wear their fun camp tees with pride all season long, keeping everyone safe, recognizable, and feeling like part of a team during our activities and field trips. Community partnerships like these make our summer programs possible and keep youth recreation thriving in our community.

Learn more about all available sponsorship opportunities at tcpud.org/sponsors.

Thank you... ❤️

Sponsorship & Advertisement Opportunities

The Tahoe City Public Utility District's Parks & Recreation Department welcomes you to be a part of our community through our sponsorship and advertising opportunities. Sponsoring or advertising plays an important role in supporting us in achieving our mission of serving the people in our community and providing parks and recreation services to enhance the quality of life. To be a TCPUD Parks & Recreation supporter, contact us or visit tcpud.org/sponsors for more information.

Youth Sports Leagues

Show off your business name on our hockey or basketball team league jerseys! Our youth sports programs offers an opportunity for youth to develop teamwork, skills and confidence.

Dasher Boards at Winter Sports Park

The Tahoe City Winter Sports Park Ice Rink offers Dasher Board sponsorships for the 2026-2027 winter season. Your company's name/logo will be displayed to thousands of park visitors seasonally. Dasher Board sponsors directly support your community Ice Rink and Tahoe City Public Utility District youth hockey programs.

COMMUNITY EVENTS

Harvest Fest

All Ages

Throw on your favorite costume and jump straight into autumn! With carnival games, bounce houses, TCPUD BIG trucks, and hay rides, Harvest Fest has non-stop smiles for kids of all ages. Grab a tasty bite from local food trucks, soak in the festive vibes, and kick off the fall season with your Tahoe neighbors!

Day: Saturday
Date: October 17
Time: 11:00am - 3:00pm
Fee: The event is free, but all-inclusive wristbands will be sold for:

- \$10 each for ages 2 - 3
- \$20 each for ages 4 and up

(Wristbands includes unlimited access to hay rides, activities, and games). Food Truck items sold separately.

Location: Tahoe City Community Center

Downtown Trick-or-Treat

All Ages

Spooktacular Sweets on the Streets! Looking for a safe, safe, and wildly fun way to celebrate Halloween? TCPUD and local downtown businesses are teaming up to turn Tahoe City into a trick-or-treater's paradise! Stroll through town in your spookiest, silliest, or most creative costume to collect goodies from your favorite shopkeepers, swing by Heritage Plaza and say "Boo!" to the TCPUD booth. It's free, full of treats, and fun for all ages!

Day: Friday
Date: October 30, Halloween Eve
Time: 4:00pm - 6:00pm
Fee: Free
Location: Starts at Heritage Plaza

Breakfast with Santa

All Ages

Pancakes, Presents, and Winter Play! Bring the kids to the Tahoe City Winter Sports Park for a magical morning with St. Nick! Enjoy a free breakfast, hit the ice rink, and watch Santa make a grand entrance. Every child 10 and under gets a free photo with Santa and a gift to take home! In collaboration with the Rotary Club of Tahoe City, Kiwanis Club of North Lake Tahoe and SnowFest!

Day: Saturday
Date: December 5
Time: 10:00am - 1:00pm
Fee: Free
Location: Tahoe City Winter Sports Park

Spring Eggstravaganza

All Ages

Hop into Spring with Thousands of Treats! Grab your baskets and race over to the Tahoe City Golf Course for the ultimate egg hunt! Kids will love searching for thousands of colorful "eggs" scattered across the green, snapping photos with the Easter Bunny, and kicking off spring with family fun.

Day: Saturday
Date: March 20
Time: Bunny arrives at 9:45am and the Golf Ball Hunt is at 10am sharp!
Fee: Free
Location: Tahoe City Golf Course

Toddler Time

Ages 0 - 4

Need a warm space to play and socialize with your toddler during the winter months? Join in on the Toddler Time fun at the Fairway Community Center! Toddlers will have a free space to play, run, jump and get their sillies out before nap time! Children must be accompanied by an adult as there will be no staff on site. Toddler Time is free and drop-in dates must be pre-registered for by visiting our website, www.tcpud.org.

Day: Monday and Wednesday
Date: November 30, 2026 - June 9, 2027
Time: 10:00am - 12:00pm
Fee: FREE!
Location: Fairway Community Center

Program Update: Holiday & Spring Break Camps

After careful consideration, the Tahoe City Public Utility District Recreation Department will be sunsetting our **Holiday Camp** and **Spring Break Camp** offerings this year.

In recent seasons, these short-session camps have faced significant challenges—including low overall enrollment, frequent last-minute cancellations, and unpredictable seasonal weather that often impacts scheduling.

Pausing these specific camps allows our small, dedicated team to focus our full energy and resources where our community needs us most. By shifting our bandwidth, we can ensure top-tier quality and support for:

- **Afterschool Care:** Enhancing daily operations for our Recreation Afterschool Program (R.A.P.).
- **Youth & Adult Sports Leagues:** Expanding and improving seasonal league organization.
- **Summer Flagship Programs:** Dedicating crucial preparation time for a seamless transition into Camp Skylandia, Youth Sailing and more.

We know families rely on community activities, and we do not make changes to our calendar lightly. Taking this step ensures our small staff can recharge and deliver the exceptional quality you expect across our primary programs year-round.

Thank you for your support and we appreciate your understanding as we refocus our resources to serve you better throughout the rest of the year.

Recreation Afterschool Program (R.A.P.)

Growing Together: The Next Chapter of R.A.P.!

To better serve our growing community and meet the high demand for quality after-school care, we are working closely with the Tahoe Truckee Unified School District (TTUSD) to enhance our Recreation Afterschool Program (R.A.P.).

Through our collaboration, we are expanding our program space, optimizing daily enrollment to get more kids off the waitlist, and exploring updated location options!

What to Expect:

- **Additional Location & Schedule Options:** Designed to accommodate more families and give you more flexibility.
- **Updated Registration Process:** A refined system to help us reach maximum daily roster counts and serve as many children as possible.

What's Next?

- Full program details will be shared with families shortly.
- Our updated registration process for the January – June 2027 (January 4 - June 4, 2027) semester will begin in December.

Thank you for your continued support as we embark on this exciting next chapter of R.A.P.!

CHANGE

Time to Hit the Ice!

2026 Youth Hockey Skills Clinic

1st - 6th Grades

Get out on the ice and learn the basics. For young skaters to learn & practice fundamental hockey skills and how to play the game. Full equipment is required and available to rent.

Saturday: 8:30am - 10:00am

Fee: \$20 / class; \$60 / month

Location: Monday: Fairway Community Center
Saturday: **Fall:** Outside at Gatekeepers Park /
Winter & Spring: Fairway Community Center

WINTER SPORTS PARK

Looking for winter fun the whole family will love?

Head to the Tahoe City Winter Sports Park—your ultimate winter recreation destination! Enjoy a safe sledding hill, 4 km of cross-country ski and snowshoe trails, and an outdoor ice skating rink right in the heart of Tahoe City.

Reservations for the 2026/2027 season are encouraged!

While limited walk-up spots are available, pre-booking is strongly recommended for weekends and holiday peak times to guarantee your spot. Grab your season pass or book online today at tcpud.org/winter.

Conditions Update:

Currently, the park will open for ice rink use only. Snow-dependent activities (sledding, ski, and snowshoe trails) will open as soon as snowfall permits, with reservations launching ahead of storm forecasts.

OPENING DAY FOR THE TAHOE CITY WINTER SPORTS PARK IS SCHEDULED FOR SATURDAY, NOVEMBER 28TH.

MAKE AN ADVANCE RESERVATION OR PURCHASE A SEASON PASS BEGINNING WEDNESDAY, NOVEMBER 4 AT 12:00PM.

<u>Individual Sessions</u>	<u>Non-Resident</u> (Ages 15+)	<u>Resident</u> (Ages 15+)	<u>Non-Resident</u> (Ages 14 & Under)	<u>Resident</u> (Ages 14 & Under)
Sled Hill (includes disc)	\$20	\$5	\$20	\$5

Snowshoe Package	\$25	\$12	\$15	\$5

 All packages include equipment rental. Season Passes also available. Visit tcpud.org/winter for details. 

Park Activities

Ice Skating

Whether or not you live in an area that receives true winter weather, getting out on the Tahoe City Winter Sports Park Ice Rink is a great way to embrace the season. Skating teaches balance, improves strength and encourages kids, and adults, to keep trying. Ice skates and skating aids are available for rent.

Snowshoeing

This fun winter adventure has a very small learning curve and you will be out exploring on the snow in no time. We carry snowshoes in a variety of sizes for adults and children and are available to rent when you reserve your snowshoeing session.

Sledding

Family fun for everyone. Spend a session sliding and laughing on our man-made sled hill. Disc rental is included with the purchase of your sled hill session. No outside sleds permitted. Please be aware this is a small hill and appropriate for ages 10 and under.

Cross-Country Skiing

Experience the thrill of gliding on snow. Our groomed cross-country ski trails wind around 4km of meadow terrain with views of Lake Tahoe. Trails are groomed daily with traditional cross-country ski tracks.

Winter Sports Park Season Passes

Your Ticket to Endless Winter Fun at Tahoe City Winter Sports Park!

Why pay per session when you can play all season long? Whether you're gliding across the ice rink, cruising groomed cross-country ski trails, or zooming down the sled hill, our season pass options is your golden ticket to non-stop Tahoe winter fun!

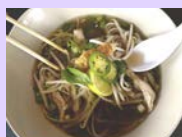

<u>2026/2027</u> <u>Season Pass Rates</u>	<u>Non-Resident</u> (Ages 15+)	<u>Resident</u> (Ages 15+)	<u>Non-Resident</u> (Ages 14 & Under)	<u>Resident</u> (Ages 14 & Under)

Date: February 27
Time: 11:00am - 2:00pm
Location: Downtown Tahoe City

Milk Jug Curling Tournament

Day: Monday, Wednesday, Friday
Date: March 1, 3 & 5
Time: 7:00pm - 10:00pm
Location: Tahoe City Winter Sports Park

Alaskan Open Snow Golf Tournament

Day: Saturday
Date: March 6
Time: 10:00am - 5:00pm
Location: Tahoe City Winter Sports Park

Lake Forest Boat Ramp tcpud.org/boatramp

The facility is located 1.5 miles east of Tahoe City off Highway 28 on Lake Forest Road at 2500 Lake Forest Rd., Tahoe City, and offers limited day use parking and restrooms.

Operations Update: Lake Forest Boat Ramp Temporary Closure

The Lake Forest Boat Ramp will be **closed from November 1 through November 30** for scheduled dredging operations. Dredging is performed every few years to remove accumulated sediment and maintain safe conditions for boat launching and retrieval.

Work is expected to be completed by November 30, weather and conditions permitting. Thank you for your patience and understanding while this important maintenance work is completed.

Boat Launch Operational Policies

- Parking is very limited/No overnight parking allowed
- Open year-round with seasonal changes in hours of operation
 - October 19 - April 30: Daily, 8:00am - 6:00pm
 - Closed for dredging November 1 - 30
 - Closed on holidays: December 24 & 25; January 1
 - Inspections Available
- Boaters must abide by all posted entry and inspection guidelines, payment processing, launching and facility rules and exiting processes
- Mandatory Motorized Watercraft Inspections Required per TRPA, visit tahoeboatsinspections.com
- To view our use regulations online, visit tcpud.org/boatramp

Ramp Fees

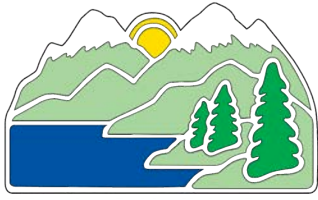

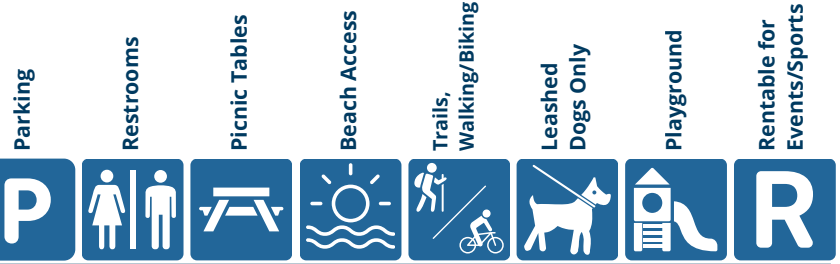

- Daily Launch - TCPUD Resident/Property Owner (Resident Vessel Sticker required): \$20
- Daily Launch - Non-Resident/Non-Property Owner: \$75

No cash accepted at Boat Ramp CREDIT/DEBIT ONLY. All Lake Forest Boat Ramp Season Launch Passes must be purchased online in advance. No refunds/credits.

To view fees and purchase season passes online, visit tcpud.org/boatramp

Boat Ramp Annual Closures:

- THANKSGIVING DAY & THANKSGIVING DAY AFTER (THURSDAY & FRIDAY)
- CHRISTMAS EVE & CHRISTMAS DAY
- NEW YEAR'S DAY

MULTI-USE TRAIL SYSTEM

The perfect way to enjoy the Tahoe seasons and tour the North and West Shore of Lake Tahoe is by using our 23-mile multi-use trail network. Our recreational trails are open to bicyclists, e-bikes, walkers, joggers, strollers, and even anglers enjoying the views. Please leash your dogs, keep an eye out for maintenance workers & equipment, and be respectful of other users.

During winter, the TCPUD parks crew will keep portions of the trail clear, from Dollar Hill down the West Shore to Timberland, and the Truckee River Trail to the Olympic Valley intersection conditions permitting. Be sure to watch for icy patches during the winter months. View our trail system and the snow removal priorities below and please visit our website, tcpud.org/trails for more information. Enjoy the trails!

WINTER TRAIL SNOW REMOVAL MAP

NORTH LAKE TAHOE Multi-Use Trail System

**Share the Path.
Be kind. Be safe.
Take care.**

This is a multi-use trail system enjoyed by bicyclists, pedestrians, skateboarders, joggers, and dog walkers alike.

- Keep right, pass left when safe
- Bikes yield to pedestrians
- Alert when passing
- Use safe speeds. Speed limit 15mph
- Class 1 and 2 E-Bikes permitted
- Blaze a trail of kindness
- Always use a light at night
- Look and listen, be respectful
- Keep dogs on a short leash – Pack out waste!
- Use caution when crossing driveways
- Obey all trail and roadway signs
- Move to the side when stopping – Do not block the trail
- Pack out your litter!
- Watch for and yield to trail maintenance equipment and crews
- Motorized vehicles are prohibited
